Whitemud Drive 111 Street Interchange Paving

Expect major delays. Detour using 106 Street or 122 Street. Whitemud Drive mainline will not be affected; however motorists are advised to find alternate routes. We thank you for your patience during this construction.

Saturday July 19 – 0600 hrs to 1900 hrs

- 111 Street southbound over top of Whitemud Drive, including northwest and southwest ramps and access roads.

Sunday July 20 – 0600 hrs to 1900 hrs

- 111 Street northbound over top of Whitemud Drive, including northeast and southeast ramps and access roads.

Information in this bulletin is current to July 15, 2008. Weather and other unanticipated events may change the schedule.

Information on traffic lane closures is also posted on the web at www.edmonton.ca/transportation (Click on "Current Road Closures and Detours").

Do your part to keep workers safe – slow down and be patient. Speed fines double in construction zones when workers present.
